Re: New Authorized Dealership – Corporate Business Solutions (Canada) Inc.

It is with excitement that we officially introduce Corporate Business Solutions (CBS) as the new *FP Mailing Solutions* authorized dealership in Edmonton and its surrounding areas. This assignment is effective immediately.

All *supplies, sales and service* are now locally available through:

Corporate Business Solutions (Canada) Inc.

13025-156 Street
Edmonton, AB T5V 0A2
Ph: (780) 490-5600
Fx: (780) 490-7727

As you may be aware, FP Canada has just released a brand new postage meter line titled the PostBase. Over the next few months we will be swapping out our old systems, that connect to analogue phone lines to download postage, with these new LAN or Network (Digital) based systems. This will ensure that moving forward you are able to download postage without issue (even if you as an organization move to a digital or VOIP telephone system).

FP Canada is committed to ensuring that you will always be able to download postage and expedite your mail. A Corporate Business Solutions representative will contact you shortly regarding the replacement.

Please join us in welcoming **Corporate Business Solutions** as your new FP Authorized dealership. We thank you for continuing patronage and we look forward to continuing to serve your needs now and in the future.

Sincerely yours,

FP Canada Inc.
